## ABOUT ME

University student licensed in Engineering and Management of Information Systems, currently in the first year of Master's degree. Determined to learn, improve, and acquire new skills that will enable me to expand my knowledge. At the moment, the area that attracts me the most and in which I feel most comfortable is Web Development.

## EXPERIENCE

### **Summer Internship - Codepoint.**

jul 2023 - aug 2023

I held the position of Web Developer, with the goal of creating a landing page for Codepoint's new product, Klatch. Throughout this internship, I learned and used the following technologies: React, GitLab, Next.js, Mantine, Figma, ClickUp, and Slack.

## EDUCATION

### **Master's in Engineering and Management of Information Systems**

2023 - at the moment, Universidade do Minho

### **Bachelor's in Engineering and Management of Information Systems**

2020 - 2023, Universidade do Minho

Final Grade: 16
